

Skills, Skills, Skills

- Students are shown a video clip from Careerpilot—Job Sectors
- In small groups they should discuss the skills that are needed for that particular role
- How easy would it be to develop the necessary skills?
- What skills do the students think they have?

Extension: Students could use www.careerpilot.org.uk to record their skills using the Pre 16 Skills Map

Examples of suggested video clips:

You can choose any of the videos in the Job Sectors part of Careerpilot but here are a few that might generate more discussion, particularly in male / female stereotypical roles:

- [Wind Turbine Engineer—New Energy Job Sector](#)
- [Inspiring Males—Primary & Secondary Education—Education Job Sector](#)
- [Working at a busy port—Port Management Job Sector](#)
- [Women in Science—Science Job Sector](#)
- [Have you got what it takes to be an astronaut? - Maths Job Sector](#)
